Stacey –

Attached is the letter from Sunnyside that Bob and I referenced in our voicemail message this morning. Please let us know if you have any follow-up questions.

Thanks,

Suzanne

Subject: Water Treatment Plant for Cement Creek Drainage

Greetings.

Please see the attached Letter. In its continuing role as a catalyst for the collaborative effort to improve water quality in the Animas River, Sunnyside is suggesting that there may be opportunities to significantly accelerate the ARSG Timeline. Do not hesitate to

contact me with any questions that you may have.

Thank you.

Greg
